

Mooo!

Zeroooo!!!

How  
about  
you?

!!

*Mamotte!*

**Lollipop**

**POP 23** Believe in Everything

If I  
could just  
accomplish  
that...

...I don't  
care about  
anything  
else.

I wanted  
you to be  
free...

How could  
you do such  
a thing?

Princess...

.....

Open  
your heart  
Princess.

That way  
Princess  
would learn  
Diana's  
relatives!

You were  
silly, didn't  
you??

You will  
never  
take  
to get  
away.

Please  
escape to the  
Magical World  
with King.

What are  
you going to  
do?

Yes...?

You were  
aware of it.

So why did you  
reluctant say?

Sun...

Ichi-  
saka...

Please...

Don't  
leave me...

Don't you promise  
that you'll  
stay with  
me?

Isn't there  
anything  
really bad  
out?

Sun...

What  
should I  
do?

Ichi...

You  
can't  
do  
this...

Even if I  
have to use  
every power  
I have...

I'm sorry  
you died!

Isn't she if you  
do that?

But, but,  
Ichi...

If you keep  
fighting...

I doubt you have  
any magical  
power left.

You could  
yourself in  
danger.

Sun...

Yes, if we  
cooperate  
together  
like we used  
to...

Sun?

It's not  
just you...

Yes,  
I did.

Are you an  
Zokun's slave?

By any  
chance...

Well-What  
do you think  
you're doing?

Not  
another  
slap.

You are...

Again!

I've been  
in trouble all  
these times.

So, what are  
you freed  
Zokun.

Go goo...

In order  
to get  
your  
loved one  
back...

...I was  
the one  
you hated  
most,  
Dona.

I am a  
traitor.

...hate  
me for  
it?

"How could you  
do this to me?"

Because this is  
with the one I loved  
instead.

Then, you could  
survive right?

King.

In that  
case, I'll  
take your  
power!!

Wh-What?  
then...

This is  
the last  
thing I'll  
ever do.

Auggh!

Ichii!!

Is he...  
doing what I'm  
thinking?

Wah!

Oh, that!

ding...

There  
dod...

Is it really  
you...?

Queen!

Even your  
love and...  
too...

But  
you can  
save them  
with your  
power.

If you  
won't try,  
we'll lose  
everything  
and your  
friend!

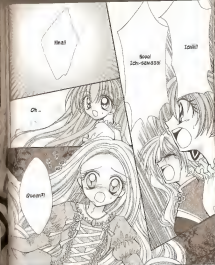

Really,  
that?

What?

You're the  
only person  
who can do  
this!

Believe in  
miracles...

Real?

Really?

Real!  
I'm...oh...oh...

Oh...

Everyone...

Queen!

Queen!  
You got  
reincarnated?

IF I  
really have  
the magical  
power...

I'll  
protect  
you,  
Kira!

Does it  
mean our  
meeting...

...Was no  
accident?

Ara

There  
was love  
between  
them...

Everyone's  
hopes are with  
me.

Is this my  
power?

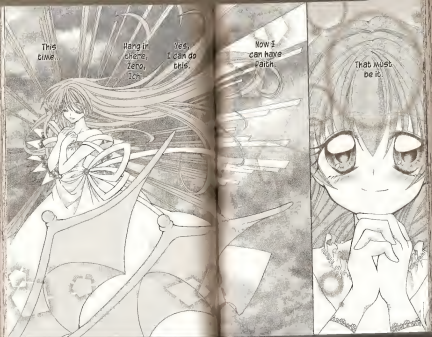

This  
time...

Hang in  
there,  
Zero,  
I'm

Yes,  
I can do  
this.

Now I  
can have  
Faith.

That must  
be it.

**Bonus Story  
Commentary**

## I Love My Partner

This is a horse story about Spots and his ten years from now! I've said that, but finally concludes the *Kanoodle!* Lollipop series, but I couldn't wait to draw awareness in the Nature zone.

Roku appears slightly different from the adult Parv who used to transform into as a child. Everyone slight like her grown-up appearance better... There are other side characters hidden in the party some so try to look for them. I love Roku's dress, but, dog, does [it] not make [him] involved?

## Open Design

This was the second piece of mine to appear in *Knapogot's Summer Special/Land* (*Knapogot's Summer Break Land*). Reading it again brings back memories of finding the sheep was my favorite character. I love cute, flimsy things—even magical girls and magic stuffs, too.

I vaguely remember listening to some lounge songs while I was working on the songs... Foster's third record's song *Kissin' On The RVs* probably being the first I'd heard. I think she was based on the songs I submitted back in high school. Nobody at the time kept splitting into these different camps of things.

...I'll  
protect  
you.
